

Return to Play Plan

December 3<sup>rd</sup> 2020

### Purpose

The purpose of this document is to provide the details of Surrey United Soccer Club's (the "Club") Return to Play Plan ("RTPP"). This plan is intended to be read in parallel with the guidelines of governing bodies within government and within soccer. Canada Soccer has rated this RTTP as "low risk". This plan and all referenced material are intended to support informed decision-making by our members, volunteers, coaches, and other representatives of the Club related to their participation in the Club's programs.

### Return to Play Guidelines

These documents are referenced and linked below and provide the foundation and guidelines that are included in this Return to Play Plan.

Monday June 1<sup>st</sup>: [ViaSport Return to Sport Guidelines](#)  
Wednesday June 3<sup>rd</sup>: [BC Soccer Return to Play Plan](#)  
Wednesday December 3<sup>rd</sup>: [BC Soccer – Public Health Order](#)

### Providing a Clean, Safe Environment

Fortunately, soccer is predominantly an outdoor sport in British Columbia and therefore, our fields are one of the safer environments for sports activity. We have completed a WorkSafeBC BC COVID-19 Safety Plan to ensure the environment in which we are all participating within is safe for players, technical staff and volunteers. The Club has implemented the following health and safety precautions in providing a clean and safe environment.

#### Clubhouses

- Clubhouses are closed
- Where clubhouses must be accessed, it may be done with the permission of the Club President or Senior Vice President only and masks must be worn indoors at all times.

#### Changerooms

- All changerooms are closed.

#### Equipment

- Equipment must be sanitized after every session.
- Equipment may not be handled / touched by an individual other than the team coach(es).
- Equipment should be stored in the same, secure location after every session.

#### Fields

- Fields will have one entrance and one exit only.
- Session start and end times will include a 5 minute buffer between sessions to permit coaches and players the opportunity to attend training sessions within appropriate physical distancing requirements and guidelines of health authorities when entering and exiting the field of play.
- Player backpacks will be placed in designated spaces along the fence only, physically distanced from any other player's bag (3m) in adherence to the requirements and guidelines of health authorities.
- Washing stations will be available at Cloverdale Athletic Park for continued hand washing of players, technical staff, and volunteers.

#### Parks

- Park maps have been developed to indicate traffic flow, waiting areas, and pickup/drop off locations [<CLICK HERE FOR PARK MAPS>](#)
- Spectators are not permitted at any session.

### Measures to Keep People Safe

#### **Check-In Requirements**

Team Staff must check-in their players using the TeamLinkt app. This application is similar to TeamSnap but the Club has made it and all its advanced features available to Club members free of charge. All coaches and managers are asked to become familiar with this app for future Club programming. The scheduling module of this app will serve as check in – “available” will be interpreted as “in attendance” or the roster feature can be used each session as the official attendance mechanism for player/staff check in. This will assist the health officials in the event of any COVID-19 outbreak. For information on TeamLinkt and the necessary information to download this free of charge please [CLICK HERE](#). This check-in data must be kept for 30 days for City of Surrey contact tracing purposes.

#### **Illness Policy**

The Club has an Illness Policy that must be followed by all in attendance at or participating in any way in Club programming or events. Failure to abide by the terms of the policy will result in removal from the session and the most blatant cases, removal from Club for either the remainder of the program or the season, at the Club’s sole discretion. [CLICK HERE FOR POLICY](#)

#### **Players**

All adult players and parents/guardians of youth players must complete a [Return to Play Participant Agreement](#) before they will be permitted to participate in any Club program or event. Failure to complete this Agreement will restrict players from participation in any Club or Club affiliated program or event.

Players are asked to use the [Pre-Session Player Checklist](#) to remind themselves of the steps they must take to participate in Club programs before, during and after every session. This checklist includes the requirement for players to dress at home and arrive in their kit and cleats. This checklist also includes the requirement for all players to have their belongings in a single bag/backpack with a personal water bottle and their own hand sanitizer clearly labelled with their name for all training sessions to avoid use by any other individual.

#### **Technical Staff, Club Volunteers**

All technical staff and Club volunteers must complete a [Return to Play Agreement – Technical Staff and Volunteers](#) before they will be permitted to participate in any Club program or event.

Coaches and Managers are asked to use the [Pre-Session Coach/Manager Checklist](#) to remind themselves of the steps they must take to participate in Club programs before, during and after every session. This includes the requirement for a self assessment prior to attending any Club program or event.

Technical Staff and Club volunteers will be educated on all sanitization requirements. Personal Protective Equipment kits have been assembled for any instance a technical staff member or volunteer find themselves unable to socially distance in an emergency (i.e., an injury on the field).

### Technical Programs

The Club will be following BC Soccer’s Return to Play Phase 1 and ViaSport’s Phase 2, *Transition Measures* located here:

## DISCLAIMER

This Return to Play Plan is intended to be used for the purposes set in this document. While we have written this RTPP with relevant and timely information, information known about the COVID-19 coronavirus and recommended health and safety measures can rapidly change no guarantee can be given as to completeness of any information provided in this RTPP.

In the event of an ambiguity or conflict between this RTPP, its referenced documents and the *Public Health Act*, regulations or orders thereunder, the *Public Health Act*, regulations and orders prevail. Nothing in this document is intended to provide legal advice.

This document contains links to third party web sites. Links are provided for convenience only and the Club does not guarantee its accuracy, timeliness or fitness for a particular purpose. The information in those links may be updated from time to time.

Anyone choosing to participate in any Club program does so at their voluntary and sole risk. Choosing to participate is a personal decision that must be made with full information. Where a participant is identified as a “high risk” individual doctor’s permission is strongly recommended before participation in any Surrey United Soccer Club activities.
