VESTA PROPERTIES

Surrey United Soccer Club is pleased to announce and thank our new Fall 2021 U5 Future Prospects corporate sponsor and community partner, **Vesta Properties**.

Vesta Properties is an integrated builder/developer with over 32 years of experience in residential construction. From their early beginnings, Vesta's commitment has been to create master-planned communities because they understand that buying the right home in the right community is a significant decision for families in our community. **Vesta Properties** is dedicated to making smart choices to deliver homebuyers the best lifestyle and investment value in every community they build, and they have successfully built more than 5,000 homes in award-winning neighbourhoods throughout Alberta and British Columbia.

Vesta Properties contributes to a wide variety of local, national and international organizations to positively impact the lives of many people and the communities in which they live.

Surrey United Soccer Club wants to thank and acknowledge their generous contributions in helping build and expand our thriving U5 Future Prospects families and for being a Club community partner.

Please visit their website at www.vestaproperties.com and find out more about what **Vesta Properties** is building in our local and neighbouring communities.
